

## COVID-19 FORBEARANCE REQUEST FORM

**1**

### Your Options

You may use this form to apply for a Forbearance Agreement if you or your business are unable to make mortgage payments because of a hardship related to the COVID-19 crisis. Although your Lender will review your request carefully, your Lender is not required to enter into a Forbearance Agreement or other deferral arrangement with you.

Although there are a variety of federal government and agency programs calling for foreclosure moratoriums, these programs do not apply to business purpose mortgage loans like yours. Some States and counties have enacted measures temporarily halting foreclosure and eviction actions. Your Lender can discuss these measures with you. However, these State and local actions do not forgive your obligation to make your loan payments.

**When you sign and date this Forbearance Request Form you will make important certifications, representations, and agreements, including certifying that all of information herein is accurate and truthful.**
